Gentlemen -

I realize you are very busy but do not know where else I could get information of this type.

This week I heard a David Emerson Gumaer on T.V. and he said some startling and frightening things about the "Students for Democratic Society," and the "W. E. Du Bois clubs," What I would like verified is the statement he made that he was "an undercover operative for the Intelligence Division of a major Metropolitan Police Dept" - Chicago, Illinois (our local paper denied this)

He also said he testified before the Senate Internal Com. in Wash. D. C. & HCUA Would you please forward to me whether he did work in this capacity and gave testimony.

Thank you very much.

## BACKGROUND:

By letter of 9/12/70, SAC, Savannah, enclosed a Xerox copy of a leaflet and an admission ticket to an address to be given by Gumaer at Savannah, Georgia, on 9/16/70, under the auspices of the Savannah Area Motorede Committee, Savannah, Georgia, telephone number 236-3786. A reference on the leaflet indicated that captioned individual worked as an undercover operative for police intelligence units supplying them with information concerning the activities of the New Left. It was also indicated that his services were called upon by the FBI and the Committees of both Houses of Congress. In response to the Director's inquiry, our files were reviewed and they revealed the following information concerning Gumaer.

## INFORMATION IN BUFILES:

Gumaer is not an informant or a source of information for the FBI. Our files reveal that [REDACTED]

He also furnished on a voluntary basis other information to our Chicago Office, and on one occasion in December, 1967, while in Washington, D. C., furnished one of our Washington Field Office Agents information regarding [REDACTED] a self-styled anticommunist.

Our files reveal several references to citizen inquiries concerning captioned individual in connection with his speaking engagements around the country on communism. He also allegedly was employed by [REDACTED] for a short time during 1967-68, and was reportedly a member of the John Birch Society

Our files reveal no information identifiable with the Savannah Area Motorede Committee or [REDACTED] to whom telephone number 236-3786 is listed.

Dear Mr. Hoover:

Enclosed you will find a Xerox copy of an article which appeared in the October edition of a Charleston local paper. This is in essence a report given by David E. Gumaer who claims, as you will note, to be a former undercover operative.

Personally, I have never heard of this man but it seems strange that some of the remarks he has made fall under the category of free speech. This man may be a gentleman and scholar and a God fearing man, however, I would appreciate any public information about him which your office can supply. I am making a private study of how and why people sound off about Presidents of the United States and twist the truth to suit themselves.

Any assistance will be greatly appreciated.

"Nixon has no intention of stopping the riots in the streets because he is a part of it," an audience of 200 was told at Baruch Auditorium last night.

David E. Gumaer, a former undercover operative who worked on a volunteer basis to infiltrate alleged communist front groups on college campuses, said that President Nixon had been a member until 1962 of the Council of Foreign Relations which Gumaer described as the most dangerous organization in world and one that is dedicated to merge America into a one world socialist government.

He said the CFR, headquartered in New York, is a secret organization of 1,450 members composed of major figures in public and private enterprise which reports only to the Commerce Department and is off limits to any investigative agency.

He said that the news media is completely owned and controlled by members of the CFR who make sure that all news coverage is slanted to the New Left. University presidents of riot-scarred campuses are also all members of this group, he said. He also cited tax-exempt foundations which he said are controlled by CFR members as supporting the street revolutions.

Gumaer, speaking here under the sponsorship of the local Support Your Local Police Committee, said that recent Supreme Court decisions have "completely denuded and emasculated our police and federal law enforcement agencies so that now all they can do is simply watch it all happen."

## POOR PEOPLE

He spoke of attending the Poor People's Campaign in Washington in an undercover capacity and watching the communists dupe the "poor Negro families that came there to be plopped down in filth and squalor in plywood shacks known as Resurrection City."

He said that the communists had organized black "goon squads" to handle the crowds. He said these squads made up of black militants got completely out of control because they had nothing to do except drink and take dope. The squads he said terrorized the residents of Resurrection City by raping the women and children while the men were off parading on various Washington buildings.

"The only way the communists were able to stop this rampage of their own goon squads" he added "was to bring in two plane loads of white prostitutes from New York."

## PEACE MARCHES

He said that he participated in several of the "peace marches" in which the demonstrators carried weapons of all kinds, wore boots with steel toes, threw grenades and "Molotov Cocktails" at the police. Gumaer said that the news media was guilty of covering up the hours of provocation which finally forced the police clubs to come down.

He said only when the police began to fight back did the television cameras and reporters begin to cover the situation. He stated that he actually heard newsmen shouting to kids to attack the police so that they could cover the incidents and then report 'police brutality'.

"They knew the facts, the actual facts, but they lied to you as they've been doing for some time", the young man told his audience.

Gumaer said that 20,000 communist-front organizations have been started here since 1919 in an effort to destroy the minds of the youth. He cited the peace movement as a communist conspiracy designed to attract the idealistic intellectual youth community.

The peace symbol, which he said was an anti-Christ symbol designed by the communists, means to them the time when they will control everything with absolutely no opposition to

their rule. He said that for the past 40 years their strategy has not changed and we are now in the last phase of it.

The major barrier at this point he said is that there are still too many guns in private hands. However he said that as soon as this obstacle is overcome the communist takeover will simply be a matter of weeks.

## REVOLUTION ON CAMPUS

David Emerson Gumaer, while working as an undercover operative for Police Intelligence, was assigned to infiltrate and report on the subversive activities of the so-called New Left movement in America. For two years he was a member of the Communist youth apparatus — the campus based W. E. B. DuBois Clubs.

Once accepted as a fellow revolutionary, Gumaer worked his way into high level national staff meetings of the Communist DuBois clubs, and in fact, worked for a time in their national office in Chicago. Having gained the confidence of DuBois leadership, he was directed by Police Intelligence to join several other left organizations, including the notorious S.D.S., Students For a Democratic Society.

Gumaer attended strategy meetings of the Trotskyite Communist Young Socialist Alliance, the youth arm of the Socialist Workers Party, and discussed revolution with the leader of the violent Revolutionary Action Movement (RAM). He was also staff member of the Communist controlled National Conference For New Politics.

His investigation revealed an incredible plot to recruit America's campus youth in a subversive movement aimed at the ultimate violent overthrow of our government.

Dear Mr. Hoover:

This letter is written because like many Americans I am deeply concerned about the terrible things happening in America. Like many Americans the rise in crime concerns me but more than crime being such a terrible problem I find the radical groups and the things they do much more frightening. I read an article in the evening paper "The Norfolk Ledger Star" which has really frightened me. Perhaps you have seen this article, but just in case you have not I am enclosing it. Mr. Hoover, is our country really as close to chaos as stated in this article. I pray God this is not true.

I wish to take this opportunity to thank you and the men in your bureau for all you have done to help keep America safe. May God bless you and help you in all of your undertakings.

Sincerely,

CORRESPONDENCE

**LARRY

**DAVID E. GUMAER** is a 31-year-old lecturer and newsman who is as easy to ignore as the 24-hour virus. He looks right at you, with those dark eyes of his, and says, "a dictatorship will be in control of the United States by 1972."

Limping around on a sprained ankle, telling people that he is too busy to get married, Gumaer reminds me of a man hurrying to make the 5:45.

He will speak one day in Oklahoma. The day after that he will be in Virginia. Then he will leave for Boston.

"I'm afraid I'm too late. I'm trying to wake up the people of this country to the threat of The Conspiracy. The Revolution is underway. I have been meeting almost total apathy."

Gumaer is a member of the John Birch Society and a spokesman for The New Right. He is to that group, the ones with rhinestone stars and stripes on their lapels, what William Kunstler and Jerry Rubin are to The New Left.

## A socialist system

He told me what to expect in the U.S. in the spring of 1972.

"Rioting will start on campuses and ghettos. Communications will be cut off and the stock market will go broke. The people will call for law and order in the streets. Marshall law will be declared and we will have a dictatorship. The wave of assassinations and kidnappings will begin before that."

Is Gumaer a right wing ding-a-ling? Well, maybe. There are facts to support his premise. Rioting has happened here. There have been bombings. Revolution has supplanted panty raids as a campus fad in some places, lots of places.

A report by the House of Representatives Committee on Internal Security (1976) identifies the New Left as "promoting violence and encouraging the destruction of our system of government."

## Points to Canada

This man is telling all who will listen that an international plot exists, an invisible government, promoted by industrialists, intellectuals and financiers.

Gumaer said, "The Conspiracy is ahead of schedule. By 1973, it will take over unless we can expose the full scope of it before then."

Gumaer insists that the U.S. will be lost without a shot being fired. "On the pretense of law and order. For a parallel, look to Canada right now where many human rights have been suspended with the War Measures Act being imposed."

When Gumaer is not working as a newsman for American Opinion magazine, he is on tour. The Truth About Civil Turmoil Committee brought Gumaer to Norfolk tonight to speak at the Center Theater, 8 p.m. There is a reduced admission for students (\$1).

He is billed as "former undercover agent for police intelligence units."

I asked for proof. Gumaer produced membership cards from several organizations with Communist ties. He was a member of the W.E.B. DuBois Clubs and he sat in on plotting sessions with revolutionaries.

"In 1967, when I became known as an undercover operative, the Black Panthers worked me over pretty good and planted a bomb in my car."

According to this intense, serious man, all that is not right in the U.S. at the moment is the work of The Conspiracy. That is, everything from inflation to the involvement in southeast Asia.

I assumed that the Russians are behind it all.

Gumaer said not exactly.

He identified the "Big Brother" to be the Fabian (Fabius) Socialist Society, founded in 1884.

"There are two arms of this society. There are the groups producing the riots and other surface phenomena. Then there is that invisible government, the Council On Foreign Relations."

Gumaer hits hard at the CFR although its members have included five U.S. presidents and many Cabinet officers.

All of this report today is not gloomy. Gumaer's intelligence people tell him that bombings and riots and things like that are not in store for southside Hampton Roads.

"The strategy here, because of the military, is to subvert rather than overt acts."

The Conspiracy planned to take the world by 1984, which is the same date George Orwell had in mind. "The Conspiracy is ahead of schedule," said Gumaer.

Is he a nut or a prophet? You decide.

I share the concern that prompted you to write. I have a great faith, however, in the ability of the American people to withstand the attacks of those who would destroy our society. In view of your interest, I am enclosing material on some of those groups which propose anarchy and revolution. It contains suggestions all of us can use in combating the evil menace they represent.

## BACKGROUND:

[REDACTED] to U. S. Senator Howard W. Cannon (D-Nev.), called FBI Headquarters, 2/23/71, and spoke with Mr. Bland in your office. [REDACTED] advised that he has learned that captioned individual delivered an address in Reno, Nevada, in which he indicated that he was a former "undercover agent" for the FBI and was somewhat critical of Senator Cannon's support of Earth Day, which is also known as Environmental Action Day, which Gumaer allegedly claimed was communist inspired.

After reviewing files, [REDACTED] was called back and advised that Gumaer was never an undercover agent for the FBI. [REDACTED] was also advised, for his own personal information, that we had previously contacted Gumaer for the purpose of telling him to refrain from making untrue statements that he was formerly associated with the FBI. *K*

## INFORMATION IN BUFILES:

*b7D*  
Our files reveal a number of references to citizen inquiries concerning Gumaer in connection with his speaking engagements around the country on communism. He allegedly was employed by [REDACTED]

[REDACTED] Church League of America [REDACTED], for a short time during 1967-68, and is reportedly a member of the John Birch Society. [REDACTED]

He was never an informant for the FBI, but did volunteer some information to our Chicago Office. In response to citizen letters in the past, we have denied that Gumaer was ever an undercover agent of the FBI.

In my memorandum to you dated 9/17/70, it was recommended and approved that we attempt to contact Gumaer, who lectures throughout the

country on communism, and advise him to cease and desist from making statements indicating that he has been formerly associated with the FBI. Subsequently, by airtel dated 10/29/70, our Los Angeles Office advised they were successful in locating Gumaer and admonished him for indicating, either in his speeches or in his publications, that he was ever called upon by the FBI to perform any services. He advised at that time that one of his leaflets did contain such wording, but he would see to it that his "promotional people" deleted this statement in all publications in the future and that he would refrain from indicating that he was ever associated with the FBI. A leaflet concerning him was subsequently received in which the above-mentioned wording had been deleted.

CURRENT DEVELOPMENTS:

Our Las Vegas Office was contacted and instructed to determine if in fact captioned individual had recently delivered a speech in Reno, Nevada, and if so, whether he made any references to being an undercover agent of the FBI. Our Las Vegas Office advised today, 2/24/71, that Gumaer had recently spoken in Reno under the sponsorship of the Northern Nevada Support Your Local Police committee. Discreet inquiries determined that he had indicated during the course of his talk that he had been an informant for the FBI. Las Vegas was also able to determine the locations where Gumaer will speak tomorrow and Friday ~~in the San Francisco area~~ in San Francisco.

ACTION

Inasmuch as Gumaer will be in the San Francisco territory February 25th and 26th, the San Francisco Office was instructed to contact Gumaer and once again admonish him for referring to the FBI in his speech in Reno and direct him to immediately cease and desist from making any further reference to the FBI in his talks. San Francisco was instructed to furnish the results of their contact with Gumaer to the Bureau.

# 'It's a Commie Front' Covers Wide Range

By JACK STEVENSON  
Journal Staff Reporter

David E. Gumaer, 31, of Boston, Mass., and sometimes of Chicago, Ill., blew into the city room of this newspaper Sunday night and announced, among other things, that the Communist "takeover of the United States will occur by 1973."

This was just an opener in the alarms sounded by Gumaer who, among other things, says he worked as an undercover agent for Chicago Police Intelligence, and on occasion, for the Federal Bureau of Investigation, by infiltrating a number of Communist front organizations, among them, the W.E.B. DuBois Clubs, the Students for a Democratic Society (SDS), and other such campus and street organizations.

## Coincided

Gumaer's arrival in Reno coincided with that of a telegram from Nevada's Senator Howard Cannon, which announced that Sen. Cannon has joined in a Congressional resolution recommending an annual "National Earth Week" observance the third week in April. Cannon said the observance would offer a week-long occasion each year for all parts of the country to focus special attention on environmental accomplishments of the past year and to plan for the future.

Sen. Cannon, apparently, has not had the opportunity of listening to the warnings of Mr. Gumaer regarding Communist takeover of various and sundry operations, such as Earth Week observances.

## Communist Front

Gumaer says it's all a Communist front, and that Earth Day, observed April 22, is more notable for a celebration of Lenin's birthday in Communist circles.

Gumaer does not say that Sen. Cannon is necessarily a Communist dupe, but rather that he may be among the 9

per cent of persons involved in anti-Vietnam War, civil rights causes, and anti-poverty movements, "all well intentioned... (but) incited and steered to action by a three per cent core of Communists."

## Speaks Tonight

Gumaer, who will speak tonight at the Center for Religion and Life, under sponsorship of the Northern Nevada Support Your Local Police Committee, and the Center, has been on a tour of western states, speaking of the imminent dangers of revolution and Communist takeover.

He says that a "Seven Days in May" rally now planned for Washington, D.C., to start May 1, will result in riots in the streets, the burning of governmental buildings, assassination of government officials, and the kidnapping of other leaders.

"All this," he said, may be short lived, "but it will be just a prelude to revolution..." which will result in the takeover of the United States.

## Window Dressing

He said that the bearded and bedraggled hippies, yuppies, peaceniks, and other demonstrators seen carrying Viet Cong flags in street demonstrations are, in effect, just window dressing for the Communists.

"There's certainly nothing new in beards and long hair, and ragged clothes. These generally marked the 'proletariat dupes' of the Russian, Cuban, Chinese, and other revolutionary movements throughout history for hundreds of years."

## Exterminated

These types, Gumaer said,

will be exterminated when the "straights in the Communist organization" finally take over. "That's one thing to remember when you observe the characters in the SDS, Black Panthers, the DuBois Club, and all the other dupe organizations—they'll most of them be shot to death in the purge following the revolution."

Gumaer said he was "exposed" by the Communists in 1967 at the University of Chicago where, for two previous years, he had infiltrated the DuBois Club (formerly the Young Communist League, now known as the Young Workers Liberation League, according to Gumaer), and other Communist groups.

He said he later testified before a U.S. Senate Internal Affairs sub-committee in Washington, as to the things he'd learned in his travels across the country with the Communists, including "spontaneous demonstrations" which, he said, sometimes take six months or so for the Communists to whip up. He said many of the Communist leaders in the youth movements have been trained in Moscow, Yugoslavia, Havana, and elsewhere in the expertise of guerrilla warfare, sabotage, crowd control and mob-manipulation.

## Not Students

And even as was Gumaer himself, most of the "student leaders" in these Communist cells are not really students. Gumaer said he was a commercial artist for an oil company in Chicago when a police friend asked him to go underground in the cells at the University of Chicago.

He said he carried books and "did the whole bit like a radical student," but was, in fact, never registered at the university.

Following his "exposure," Gumaer said he joined the American Opinion magazine (publication of the John Birch Society) in Boston, as a reporter, a job which he continues to hold. His assignment, in addition to speaking engagements around the country, is to cover the various marches and riots in the streets and on college campuses throughout the nation, and report them to American Opinion.

#### Complete Hoax

As for the war in Vietnam, Gumaer marks it as a complete hoax, to cover the real danger to the United States which is the internal takeover by the Communists.

Since we got into the Vietnam war, Gumaer said that combatting Communists is a good thing wherever we meet them, and "we should either go all out, or get out of Vietnam." He advocates an all out offensive to obliterate the Viet Cong facilities and urges that we "stop killing American soldiers and start killing the enemy." He feels that the United States could win the war in Vietnam in six weeks "if we'd stop playing games."

He had a number of other things to say also, about the U.S. supplying supplies to Russia and other Communist countries, supplies which are used against us by the enemy in Vietnam, and about political subversion in the government here at home, and by college professors.

#### The Answer?

And the answer to it all, according to Gumaer?

"Education — an informed electorate that will vote the good guys in and the bad guys out."

His personal choice for President would be George Wallace, former governor of Alabama, with Lester Maddux as a vice president.

And among some of the tasks quickly to be assigned following their election would be a change of some of the U.S. Supreme Court laws which, according to Gumaer, "have bound the hands of policemen and other agencies

dedicated to the fight against Communism . . . (and) have left us only the power now to look on, somewhat idly, as the Communists take over our schools, homes, and in the not too distant future, our nation."

On 2/26/71, captioned individual was located and contacted by Agents of this office at the residence of [REDACTED] California.

Mr. GUMAER was very cordial toward the contacting Agents and he was politely but firmly requested to desist from making any statements in his speeches indicating he was employed in any undercover capacity by the FBI or of being associated with the FBI in any manner.

Mr. GUMAER indicated that since previously being contacted he had attempted to be very careful in this regard, but may have inadvertently made statements in this regard and indicated he would be very careful in the future. He advised he is currently on a speaking tour throughout California sponsored by the John Birch Society and speaks before many groups connected with Support Your Local Law Enforcement Committees.

Mr. GUMAER expressed great admiration for the FBI and Mr. HOOVER in particular, and indicated he would cooperate in any way possible.

## Cannon Joins Support Of Earth Week Activity

WASHINGTON—Nevada Sen. Howard Cannon, D-Nev., has joined in a congressional resolution recommending an annual national earth week observance the third week in April. Cannon said the observance would offer a week-long occasion each year for all parts of the country to focus special attention on the environmental accomplishments of the past year and to plan for the future.

"Although it is a long way to April and earth week, which this year would be from Monday, April 19 to Sunday, April 25, it is not so far when measured by the urgency of pollution. Hardly a day passes that another grim fact of environmental neglect, threat or abuse is not reported," Cannon said. "In 1970, earth week was the cement that joined together the ecology efforts on 2,000 college campuses, 10,000 elementary and high schools and some 2,000 local community groups. The enthusiasm in Nevada was overwhelming. It symbolized a new awareness through the state and nation of the growing ecology crisis and a resolve to turn the tide," he said.

# 200 Hear Bircher's Words of Warning

By DAVID A. NARSAVAGE

A young John Birch Society firebrand last night convinced an audience in East Greenwich of something most of them apparently already believed—this country abounds in Communist infiltrators whose goal is the overthrow of the United States government.

David E. Gumaer, who worked "part time" for the intelligence division of the Chicago police between 1965 and 1967, stirred an audience of about 200 with his assertion that a "fantastic, angry, alien, aggressive and deadly movement is behind most peace, New Left and civil rights organizations."

During the time he worked for the Chicago police ("I was reimbursed for my expenses"), Mr. Gumaer infiltrated various "New Left" organizations.

According to a press release, he "joined the W.E.B. DuBois Club and moved rapidly into direct contact with national leaders of the Communist Party, the Students for a Democratic Society, the Trotskyite Socialist Workers Party and the Young Socialist Alliance."

For the majority of his two-hour presentation, Mr. Gumaer listed various people, some very notable, such as the prime minister of Canada, who he accused of being Communists.

His accusations were met with pronounced murmurings in the audience, and he was given a standing ovation by most of the people at the end of his address.

Speaking quickly, Mr. Gumaer centered his remarks on the effects of Communist infiltration on the youth of the country. His address was titled "America's Youth at the Crossroads—Revolution Under Way."

He described the objective of the Communist party in the United States as "the undermining of the loyalty of our youth. Loyalty has been very quietly brainwashed out of them by professionals."

Although he labeled almost all youthful peace organizations as "Communist fronts," he explained that most of the members of such groups are "innocent kids who invariably suffer, because they are the dupes, the cannon fodder for the Communist movement."

But, he said, not all of the members are just innocent kids.

"Some of the more important revolutionaries are being sent to Cuba to learn how to kill our policemen and create a wave of confusion and bloodshed which will be the prelude to revolution. They are the advance guard of a Communist takeover, yet the New York Times says the kids are in Cuba to help Castro cut sugar canes."

The audience chuckled in appreciation.

His presentation relied heavily on points explained in various newspaper and magazine clippings, plus congressional reports, most of which were at least six or seven years old.

Still, Mr. Gumaer repeatedly attacked the press for "hiding Communism."

"The press is controlled by the liberals. You won't ever see a picture on the front page of the New York Times, showing unruly demonstrators with Viet Cong flags or Communist insignia. The New York Times protects the Communists, you understand," he said.

Mr. Gumaer also condemned the Supreme Court for allowing many of the "subversive" activities in this country to continue.

"There are no more laws against the existence of Communist agents here, or sedition, or flag burning. But, thanks to the Supreme Court, it's illegal for your children to pray in school if they want to," he said.

The bulk of Mr. Gumaer's address was devoted to what seemed to be an all-inclusive list of who he claimed to be the most notable Communist personnel and organizations which threaten the United States.

Some of his more confident accusations included these people and groups:

Pierre E. Trudeau, prime minister of Canada—"He is a hard-core Communist who has been trained in Hanoi and Moscow for the past 20 years and is the hero of Canadian Communists. There is a dictatorship in Canada, but the people don't realize it yet."

Clark Kerr, president of the University of California at Berkeley—"He is a top-level figure in a conspiratorial and Marxist organization, the council on foreign relations."

Willard W. Wirtz, former U.S. Secretary

of Labor—"also a top leader in the council on foreign relations."

David Rockefeller, president of the Chase Manhattan Bank of New York—"Not only a member of the same Marxist group as Kerr and Wirtz, but he also takes his vacations in Russia, as the guest of the Communists. Makes you think, doesn't it?"

Robert S. McNamara, former U.S. Secretary of Defense—"A member of the council on foreign relations, he managed to disarm the United States. We no longer have a first strike nuclear potential."

The Women's Liberation Movement—"It was born as a part of the Communist movement—divide the men against the women."

The Ford Foundation—"The Ford Foundation has offered money to the SDS for revolution for social reform."

There were no in-betweens for Mr. Gumaer. J. Edgar Hoover was certainly not a Communist. William H. Kunstler, defense attorney in the Chicago Seven trial, certainly was.

After the address, Peter B. Gemma Jr., chairman of the Kent County Support Your Local Police Committee, which sponsored the talk, explained that no member of the press had appeared for a press conference with Mr. Gumaer scheduled yesterday afternoon.

"They (the press) passed the word—don't go—because they didn't want you to know this was happening tonight," he asserted defiantly.

He participated in marches, protest movements, and demonstrations from coast to coast, often attending planning sessions with veteran revolutionaries fresh from training in Moscow, Prague, Havana, and Hanoi.

Mr. Gumaer has been "on the spot" at Communist conferences in the backwoods of the Northwest, at the National Conference for New Politics in Chicago, the pro-Vietcong conference in Montreal, "Restriction City" in Washington, D.C., and the assault on the Pentagon by pro-Vietcong youth. During all of this activity, he worked as an undercover operative for police intelligence units and has also supplied evidence of Communist involvement in the youth movement to the FBI and to committees in both branches of Congress.

Mr. Gumaer's speech is sponsored by the Berks County Support Your Local Police Committee, which is part of a nationwide network formed to encourage local law enforcement personnel and to expose the attacks against our police. Tickets are available at the door.

## Moratorium A Red Plot, Bircher Says

This week's Vietnam moratorium was a Communist plot hatched June 21 in East Berlin, according to a former intelligence agent for the Chicago police department.

David Gunzer, who says he spent two years in the Students for a Democratic Society (SDS) and the W.E.B. DuBois Club before he was uncovered as an agent, spoke yesterday at a Downtown YMCA Public Affairs Forum.

Although the talk was billed as "an exciting expose" of the SDS, the 30-year-old reporter for two John Birch Society publications spent most of his time on the "Communist conspiracy."

Mr. Gunzer predicted that the Communists will launch a "full scale revolution in two years."

He said the SDS, the DuBois Club and all other "new left" organizations are part of the conspiracy, and that the Communists "use campuses as prime recruiting grounds."

Mr. Gunzer also charged that, besides revolution, the Communists are pushing narcotics and homosexuality.

Asked by a member of the audience if he thought the Vietnam war might be a Communist plot to divide the American people, Gunzer answered that he supports a military victory in Vietnam.

## Bircher Tells Of 'Inside'

A man who said he was a "good" member of the John Birch Society and a reporter for "American Opinion" yesterday told a group of Pittsburghers how he worked as an undercover police agent, on a voluntary basis, in the University of Chicago chapter of the Students for a Democratic Society (SDS).

David Gumaer, 33, spoke at the Public Forum in the Golden Triangle YMCA, Downtown, stating that the memorandum against the war in Vietnam was "planned by the Communists in East Berlin last June 25."

According to Gumaer, SDS and other Communist-inspired organizations have "a very intricately planned program" geared to "prime one whole generation of American youth and get them ready for revolution."

Gumaer said concerned Americans only have two choices — "stand up and oppose the conspiracy or go home and hide."

DU BOIS CLUB AND STUDENTS FOR DEMOCRATIC SOCIETY IN ORDER TO FURNISH INFORMATION CONCERNING THOSE GROUPS TO INTELLIGENCE UNIT. CLAIMS ALSO FURNISHED INFORMATION TO BUREAU AGENTS DURING THAT PERIOD. GUMAER ADMITTED WORKING FOR LIBERTY LOBBY IN CHICAGO AND WASHINGTON, D. C., BUT LEFT BECAUSE [REDACTED] WAS TOO RADICAL, BEING ANTI-SEMITIC AND A BACKER OF AMERICAN NAZI PARTY. GUMAER CLAIMS HE HAS TRAVELED THROUGHOUT UNITED STATES SPEAKING AGAINST COMMUNISM, DELIVERING POSSIBLY 3,000 SUCH SPEECHES. b7c

GUMAER SAID SINCE RESIDING SLC HE HAS GIVEN UP POLITICAL ACTIVITIES BECAUSE HE TRIED FOR NINE YEARS TO WARN AMERICAN PUBLIC OF THREAT OF COMMUNISM THIS COUNTRY BUT HAS NOW GIVEN UP AND IS MERELY TRYING TO MAKE A LIVING. SAID HAS BEEN ASKED TO BECOME INVOLVED IN AMERICAN PARTY AND LIBERTARIAN PARTY BUT TO DATE HAS NOT DONE SO. GUMAER CONVINCED THERE WILL BE ARMED REVOLUTION IN UNITED STATES AND ADVOCATES FAMILY SURVIVAL. HE BELIEVES INDIVIDUALS HAVE RIGHT TO DEFEND THEMSELVES AGAINST REVOLUTIONIST.

GUMAER EMPHATICALLY DENIED ORGANIZING OR BEING INVOLVED IN ORGANIZING RIGHT WING AIRLINE PILOTS TO FLY "HIT TEAMS" AROUND UNITED STATES TO ASSASSINATE ANYONE. STATED SUCH ALLEGATIONS ARE "SILLY." GUMAER SAID HE DISLIKES HENRY KISSINGER BECAUSE HE BELIEVES KISSINGER IS DANGER TO UNITED STATES DUE TO HIS PRO-COMMUNIST ACTIVITIES AND ASSOCIATES BUT THAT TO KILL ONE OR TWO PERSONS WOULD ACCOMPLISH NOTHING. STATED THE ONLY WAY TO DEFEAT COMMUNIST THREAT IS TO CHANGE THE MIND OF THE ELECTORATE THROUGH PROPAGANDA AND MAKE CHANGES LEGALLY. GUMAER SAID HE CANNOT RECALL EVER MAKING ANY STATEMENT WHICH COULD BE CONSTRUED AS THREAT TO ASSASSINATE KISSINGER OR ANYONE ELSE. BELIEVES IF INTERNAL REVOLUTION COMES CITIZENS HAVE RIGHT TO KILL REVOLUTIONISTS IN SELF-DEFENSE. GUMAER KNOWS OF NO ONE WHO WOULD START RUMORS ABOUT HIM, HOWEVER. ADMITTED HAS MADE ENEMIES IN POLITICAL MOVEMENT WHO COULD BE TRYING TO RETALIATE AND HARM HIS REPUTATION. HE STATED SEVERAL YEARS AGO WHILE WORKING FOR JOHN BIRCH SOCIETY RUMOR GOT BACK TO ROBERT WELCH, HEAD OF SOCIETY, THAT GUMAER HAD MADE STATEMENT WELCH WAS "RED AGENT." THIS WAS COMPLETELY FALSE AND GUMAER MENTIONED INCIDENT AS EXAMPLE OF HOW RUMORS START.

MENTIONED. EVERY EFFORT SHOULD BE MADE TO DEVELOP  
IDENTITIES OF ALL PERSONS ALLEGEDLY CONSIDERED FOR  
ASSASSINATION.

CONTINUE TO KEEP BUREAU PROMPTLY ADVISED OF ALL  
PERTINENT DEVELOPMENTS.

NOTE: This matter concerns allegation from a Washington source alleging that David Gumaer was organizing right-wing airline pilots to fly "hit teams" around the United States to assassinate certain individuals. The only name mentioned to the source was Secretary of State Kissinger. The source claimed to have received this information from friends during a visit on 10/25/73 in Dallas, Texas. Gumaer has been interviewed and emphatically denied being involved in any such scheme and referred to it as "silly." In order to fully resolve the matter, it is felt source should be recontacted and additional investigation conducted along the lines set out herein.

10/29/73  
GENERAL INVESTIGATIVE DIVISION

This matter concerns allegation from a Washington Field Office (WFO) confidential source that David Gumaer, described by source as a right-wing anti-Semitic extremist, was organizing right-wing airline pilots to fly "hit teams" around the United States to assassinate certain individuals. Secretary of State Henry Kissinger was only name mentioned to the source who claims to have received this information from friends during a visit to Dallas, Texas, on 10/25/73. The information concerning this reported plot has been previously furnished to U. S. Secret Service, the Metropolitan Police Department and State Department.

The attached reports interview of David Emerson Gumaer in Salt Lake City. Gumaer emphatically denied organizing or being involved in organizing pilots to fly "hit teams" around the United States to assassinate anyone, although he dislikes Mr. Kissinger due to Kissinger's "Pro-Communist activities and associates."

Although Gumaer denied the allegation, in order to fully resolve this matter, it is felt WFO should recontact their source and conduct detailed interview to ascertain the full background of the original allegations. WFO should point out to the source that it may be necessary to contact his friends in Dallas; however, his identity will be fully protected during the course of interview with them.

~~If approved~~, WFO will be instructed in line with the above.

# Lecture. Foresees 1972 Dictatorship in the U.S.

By JOHN COWE

Daily Press Staff Writer

A dictatorship will be in control of the United States before the election of 1972, according to a former undercover agent for the FBI.

He spoke this week to students at Loyola-Marymount University.

David Gumaer, 30-year-old member of the John Birch Society, said the people of this country will call for such a move — and the country will be taken over without a shot being fired.

"In the spring of 1972," he told students in the student center patio, "rioting will start 'spontaneously' on the campuses and in the ghettos.

"Communications will be cut off and the stock market will go broke.

"And then the people will call for 'law and order in the streets' and marshal law will be declared ... and we will have a dictatorship."

Ruling this country will be a group of 1,450 elite called the Council of Foreign Relations (CFR), Gumaer claimed.

He bases his theory, which he insists is fact, on investigations of the CFR by another former FBI agent, Dan Smoot, and his undercover work in various left-wing student faction groups during the earlier half of this decade.

Currently he is making a tour of campuses across the nation in hopes of persuading students not to become duped into the supposed plot.

The CFR wants confrontation, he said, and is using legitimate issues like poverty and ecology to promote strife.

But the issues are being twisted, he said, so that reason is left out.

Things are building until 1972 when the dictatorship takes over, "just like Hitler ... with no shots being fired ... on the pretense of law and order."

Complete censorship will go into effect, all transportation will be controlled, long jail sen-

tences without trial will be imposed and the students and people from the ghettos will be shot in the street, he claimed.

"The CFR will have created a Frankenstein (frustrated, violent students and blacks) and must kill it before it kills the organization," he told the group.

Such dictatorial steps have already taken place in Canada, he said. Prime Minister Pierre Trudeau imposed the War Measures Act because of threats by the French separatists.

"Yet those people (separatists) were out of jail a few days later and the police state measures are still in effect ... It was just a pretense," he said.

The CFR is involved in Canada as it is in the affairs of the Soviet Union.

With headquarters in New York City, Gumaer said, major Soviet programs are cleared first through the CFR, across the street from the Russian Embassy, before implementation.

He drew a picture for the students of near-control of the United States at the present time.

With top news executives in the organization, the people of this country "are told only what the CFR wants them to know."

The CFR also is in control of the "no-win war in Vietnam" and the Paris Peace Talks which are just a charade to make people here despair, he claimed.

"We don't let our men go in and win the war," Gumaer said, "since the generals in the CFR have more to gain by dragging it on ... and letting our men die.

"Our men don't bomb Hai Phong Harbor," he claimed, "because it is full of our allies' ships along with the tankers from Standard Oil."

Nelson Rockefeller, who owns Standard, is a member of the CFR, he charged.

After telling more about business between American companies and Communist countries, he went into a long list of prominent persons who he said

belong to the 1,450-member CFR.

They included representatives from practically all fields including the military, education, law, religion, government, business and the mass media.

Some of the more famous include former Sec. of State Dean Rusk, David Rockefeller, former Sec. of Labor Willard Wirtz, Postmaster General Winston Blount, former Sec. of Defense Robert McNamara and Charles Hitch, president of the University of California.

The list also included President Richard Nixon. Students applauded as Gumaer charged the President with being an active member of the CFR until 1962. He is still controlled by the CFR, Gumaer claimed, and 100 members of his administration are CFR members.

The speaker also blamed Vice President Spiro Agnew for making the nation choose up sides — part of the confrontation plan.

The ultimate aim of the CFR, he said, is to have a one-government, socialistic world with the 1,450 members of the CFR in control and reaping the profits.

Leaving home in New York at 18, Gumaer joined Fidel Castro guerillas in 1957. He was a beatnik and marxist in Greenwich Village and participated in various left-wing radical group conferences, he said.

He says he saw what these people are really doing and discovered it was not a humanitarian cause. Continuing to work with the radical groups, he began feeding information to the FBI.

On questioning from the students, he said the FBI and some sections of the military are the only groups not fully contaminated by the powerful CFR.

Even the House Un-American Activities Committee, now called House Committee on Internal Security, is composed of two CFR members now.

He said a federal directive, signed by former President Dwight D. Eisenhower, forbids the FBI from investigating government employees.

(All Presidents since Roosevelt have been controlled by the CFR except for John Kennedy who was killed by CFR order, he said.)

He cautioned the students not to play into the CFR's policy of frustration. Investigate the CFR, he said, who are causing the problems and protest against them.

# REPORT!

## NORTHWEST RED RESISTANCE

■ A TOP SECRET gathering of Red leaders was recently convened at a secluded tract in the Snoqualmie National Forest, amid the quiet recesses of the fog-shrouded foothills of Mount Rainier. The Comrades were there to plot the strategy, and solidify the base, for a nation-wide subversive apparatus known as *The Resistance*. This carefully guarded Northwest Resistance Conference was held over the weekend of August 23, near Enumclaw, at the Buck Creek Camp on Crystal Mountain, a ski lodge situated sixty miles southeast of Tacoma, Washington, on a lonely, wooded road off highway 410.

Your reporter, acting as an observer for Military Intelligence, and on assignment for *The Review of the News*, attended that conference.

After leaving Seattle and driving for over three hours in a pouring rain, I pulled into the revolutionary camp in a borrowed 1940 Chevy, decorated with flowers, "peace" symbols and revolutionary slogans. Several other ancient and weatherbeaten cars followed me into the crowded parking area and stopped nearby. Following one group of revolutionaries up the hill to the lodge, I fell into a conversation with the leader, a young, hard-looking chap from San Francisco.

September 25, 1968

Dressed as I was in revolutionary garb, and carrying an old, faded sleepingbag, I falsely identified myself as a member of the Communist W.E.B. DuBois Clubs of Boston, and was instantly accepted. With credentials like that, nobody even asked what I was doing so far from home.

The secret gathering had been conceived some five weeks earlier after an important Resistance Summer Conference, July 19-21, at Reed College in Portland, Oregon. Among the featured speakers were David Harris, former Student Body President at Stanford University and one of the first organizers of The Resistance; Harris' folk-singer wife, Joan Baez, a top figure in the subversive Institute for the Study of Non-Violence at Carmel Valley, California; and, Communist attorney Aubrey W. Grossman, of the Communist National Lawyers Guild. Grossman is the key figure in the 110-member San Francisco Bay Area Selective Service Lawyers Panel which defends draft resisters without fee.

As a result of that weekend conference at Reed, the Comrades organized an Oregon Selective Service Lawyers Panel, made up of attorneys associated with the Communist National Lawyers Guild and the American Civil Liberties Union, to handle draft cases; they arranged to set up "Counter-Resistance tables" at colleges around the state, designed to catch students as they apply for II-S student deferments; and, proceeded with plans for something called the Liberation Pilgrimage, to be held on November 14,

the next National Day of Resistance.

Buck Creek lodge, site for the Comrades' secret follow-up conference for all of this, proved to be an ideal setting, surrounded by rugged mountains, thousands of acres of tall timber, and miles from the nearest town. Owned by the presbytery of Seattle, it was a sizable, well-built structure, containing sleeping accommodations for over a hundred, ample meeting rooms complete with large, stone fireplaces, and a pleasant recreation area. The dorms go first class.

Your reporter had first heard about this secret conference several weeks earlier, quite by accident, while visiting a Marxist bookstore, known as "The Id," in the "U District" of Seattle. That bookstore, located just off the campus of the University of Washington, is one of many in an area notorious for its hippie, hop-head, and Communist population.

While leafing through a copy of *Helix*, the local sheet of the Underground Press Syndicate, I overheard the proprietor of "The Id" discussing the planned meeting at the Buck Creek lodge with another seedy looking chap wearing a red and gold Mao Tse-Tung button. The proprietor was giving detailed instructions on how to get to the conference and for whom to ask. Following those directions I found the lodge; the other fellow apparently got lost.

There were some thirty-five Comrades already at the scene when your reporter arrived — Reds from as far south as Los Angeles and as far north

as British Columbia. At its peak the conference never contained more than seventy-eight delegates. I know, because I was asked to help with registration. In that capacity, I was able to record the names and formal affiliations of all those Comrades who attended this "security-conscious" con-flab. Amusing, to say the least.

The schedule for that Friday evening included informal discussion, music, and a major address by Art Melville, a Catholic priest recently expelled from Guatemala for revolutionary activity. Melville, who is on a nation-wide speaking tour for The Resistance, declared in his hour-long "rap" (talk) that he was, indeed, a "Communist priest." He told about fighting in the hills alongside other "priests" from Belgium and the United States, helping the Guatemalan guerrillas in their fight for "liberation." He told about his role in setting up peasant "communes" throughout the twenty-two states in that country.

Before the "Communist priest" began his talk, I noticed a small group of revolutionaries conferring importantly. So, I crashed the party. The leader of the discussion was a young, long-haired fellow named John Merwin Sullivan, key organizer of Draft Resistance — Seattle (DRU), and the very chap who had organized the conference and rented the lodge. His father, John J. Sullivan, an ACLU attorney and member of the American Friends Service Committee from Seattle, arrived the following morning with a host of other lawyers.

Young Sullivan was bemoaning the fact that the scheduled keynote speaker, David Harris, could not get to the conference because he had been invited to speak at the National Student Association Conference in Manhattan, Kansas, during that same weekend — along with recently convicted draft evader Michael Ferber, and Ronald J. Young, Youth Director of the Fellowship of Reconciliation.

Another top leader in Sullivan's discussion group, Bruce Nelson, confided that the whole NSA conference was this year "put together by a Resister from the East." Nelson, a fat, red-haired organizer of the San Francisco Resistance, and member of the Marxist War Resisters League, went on to relate that his job was to develop a "Radical Education Project" for clergy and laymen and others in the Bay Area. He said: "We've just sent a guy to Denver to organize a small conference there for the 6th and 7th of September..." Radical Education Project is, of course, one of the major fronts of the Communist Students for a Democratic Society, with headquarters in Ann Arbor, Michigan. One of its major sponsors, including such Communists as Red spy Victor Perlo, is a man named Paul Lauter, — National Director of *Resist*, which coordinates The Resistance from its national headquarters in Cambridge, Massachusetts.

Bruce Nelson, who appeared to be the final arbiter at the Buck Creek conference, admitted that he was himself awaiting indictment for refusing

induction into the armed services. He went on to relate that "we've received a healthy grant of money for this project, and we're trying to find the right people to do the work." A grant from whom, one might ask? Part of that money went to pay John Sullivan Jr. the sum of \$200 a month to do full-time organizing for The Resistance in the state of Washington. Another healthy chunk went to cover the \$800 tab for the weekend at Buck Creek lodge.

Among the most talkative revolutionaries present were Roger Lippman, Editor of *The Agitator*, an SDS leader at Reed College in Portland, and the Northwest Regional traveler and organizer for The Resistance; Rocky Annis, 18-year-old head of Draft Resistance — Tacoma (DRT), and organizer of a Tacoma SDS coffee house called "Free Speech Movement"; and, Joan Lieske, a member of the staff of the Seattle American Friends Service Committee (AFSC) who admitted that she was paid \$1.20 an hour at the AFSC office from the funds of an O.E.O. "work-study program." Another young revolutionary, a member of the Fellowship of Reconciliation (FOR), told me that he too was receiving money from an O.E.O. grant — but that he was making car payments with it.

Yet another of the leaders was Selma Waldman, an attractive 38-year-old art instructress at the Marxist Free University of Seattle. Selma admitted to being quite an activist in draft resistance demonstrations in Seattle,

62-113743-31 (ENCL.)

(3)

and told of her friendship with Castro-trained Jack and Tiris Freeman, former leaders of the Communists' 26th of July Movement. The Freemans were also connected with the Free University and held "rap sessions" in their revolutionary headquarters, known as the "Magic Mountain," near the University of Washington.

During the course of a series of conversations, I was told that The Resistance held its first Northwest Draft Conference last March 30, at Clark College in Vancouver, Washington, and that a subsequent strategy meeting took place on June 14 at the Centenary Wilbur Methodist Church in Portland, Oregon. I was also told that the key meeting places for The Resistance in Seattle were the Newman Center and the Lutheran Campus Center, ministry houses at the University of Washington.

Among the names of top leaders mentioned was that of Tom Green, a student pastor working at Willamette College with the University Christian Movement of the National Council of Churches. Green set up Resistance meetings in a coffee house called "Free's" in the basement of a Presbyterian church, and in "The Vagabond" coffee house, both in Salem, Oregon. As one of the Comrades said with a grin, the "interim minister of that [Presbyterian] church was a swinging parson from Yale." Other leaders discussed included Reverend Philip Hanni, campus minister at Central Washington State College in Ellensburg, Washington, who set up draft

evasion conferences in the CWS student union; and, Dr. Tony Phillips, campus minister at Washington State University in Pullman, Washington. Dr. Phillips, they said, sent in his draft card and gave up his religious deferment. They added that he was a close friend of the Marxist Reverend William Sloane Coffin Jr., a member of the Communist National Mobilization Committee, and an official in the Reds' Clergy and Laymen Concerned About Vietnam.

Dr. Tony Phillips, working closely with a philosophy professor named Donald Wells (who, they said, has a "hot line to the Seattle AFSC"), controls the campus Common Ministry, a nation-wide apparatus known locally as "Koinonia House." According to one of the radicals with whom I spoke: "Common Ministry involves mostly young clergymen of various faiths. Whatever their original purpose they now seem to be involved in very useful [sic] and increasingly radical activities - draft counseling, running a coffee-shop, setting up an underground newspaper, voicing minority views through their churches, and allowing their buildings and facilities to be used as meeting centers."

After sharing a room for the first night with three bearded Resisters from Canada, I resumed my assignment at the registration table. In the course of checking credentials of incoming delegates I happened to come across a large, grey envelope, half-buried amidst the handout literature on the table to which I was assigned.

Checking it as a part of my job, I found that it contained several dozen letters and other Resistance data belonging to conference organizer John Sullivan Jr. I copied and photographed most of that material.

In the envelope was list after list of "Key Contacts" of The Resistance, from Boston to Chicago to Los Angeles. There was a mimeographed list containing the names of 29 "Washington State Attorneys Handling Draft Cases," all of whom were members of the ACLU or the Communist National Lawyers Guild. There was even a two-page list with the names of 65 pro-Vietcong fronts of The Resistance, including: New York West Side Project, Chicago Area Draft Resistance, Boston Draft Resistance Group, Philadelphia Anti-Draft Union, Union Theological Seminary Resistance, Peacemaker Sharing Fund, Berkeley Resistance, Detroit Inner City Organizing Committee, St. Louis Committee to Support Resistance, Colorado Freedom Center, and the National Black Anti-War Anti-Draft Union. Also on that list were three foreign fronts: Puerto Rico Liberation, Montreal Council to Aid War Resisters, and the Toronto Anti-Draft Programme.

It is interesting to remember that, as far back as last March, American Intelligence agencies intercepted a copy of a 12-page blueprint for nation-wide sabotage of Selective Service offices, a sabotage tract containing detailed instructions for making Molotov cocktails and incendiary time bombs. That document, smuggled into this country

after preparation in Toronto, was distributed to 327 pro-Vietcong front groups of The Resistance, resulting in a series of "mysterious" bombings throughout the nation.

In one of the letters, I spotted a rather startling statement which began: "... school here should be told to organize Moscow. They [Washington State University] have already been sharing films, other materials with Common Ministry in Moscow." I later found out, to my chagrin, that Moscow is a small town in Washington.

Another letter listed the key Resistance contacts at the University of Puget Sound at Tacoma: speech professor Michael S. Kuntz; and Reverend Jeff Smith, campus chaplain. The lead contact listed for the University of Oregon at Eugene was mathematics professor Douglas Parker, head of Campus Draft Committee, a group comprised of 65 faculty members which has received aid from SANE and the Human Rights Center of Eugene, Oregon; at Gonzaga University in Spokane, listed contacts were Father Greif, Dean of Students, and Don Jensen, Editor of *Gonzaga Bulletin*, the campus paper (Jensen uses the College Press Service to promote The Resistance); and, at Whitman College in Walla Walla, the contact listed was Chuck Lawrence, a member of the Communist SDS (which is sponsored on campus by the YMCA).

Among the many documents addressed to John Sullivan were a number from Ronald J. Young, Youth Director of the Fellowship of Recon-

62-113743-31 (ENCL.)

ciliation, headquartered in Nyack, New York. In a letter dated July 24, Young remarked: "I am sorry we did not have the chance to get to know each other when I was in Seattle recently. I spent a good deal of time with Carl Wittman, who you know attended the FOR Conference." Wittman, of course, was the main speaker at the afternoon session there at Buck Creek lodge. He told me that he was one of the four principle organizers of the Northwest Resistance and was awaiting indictment for refusing draft induction. An admitted Marxist from "an old Marxist family," he said the other three leaders were Bruce Nelson, who made his headquarters at "The Hearth," a San Francisco coffee house; Jim Prall, an AFSC draft counsellor; and, Danny Rubin, coordinator of the Reed [College] Draft Union summer project.

According to another rather shocking letter in that large envelope which I examined, it is apparent that at least Carl Wittman got to know John Merwin Sullivan fairly well. In a "Dear John" letter from San Francisco, there appeared the statement: "Things between me and Bob, and between me and Jim, are as complicated if not as to me, as before my trip North. I'm beginning to be reconciled to the permanence of such tension, and maybe learning to live with it and enjoy it. And, since this is the first time I've had an open homosexual affair of any importance, I'm beginning to deal with layers of guilt and fear that I hardly knew existed in me. At times I look

forward to the jail sentence." The revealing letter, of which I made a photograph, was signed, oddly, "Love, Carl." Comrade Carl had recently returned from a two-week trip to Canada where he was engaged in working with deserters from the United States.

A graduate from Swarthmore College, Carl Wittman is actually quite an important figure in the revolutionary Communist Movement in America. He is co-author, along with SDS Marxist Tom Hayden, of a 15-page Red diatribe entitled, *An Interracial Movement of the Poor*. While acting Community Organizer of the SDS Economic Research and Action Project (ERAP) in Newark, New Jersey, he and Tom Hayden were the principal agitators in the Newark Community Union Project (N-CUP), which sparked the devastating riots at that city in July 1967.

SDS leader Carl Wittman is also a member of the Executive Committee of ERAP, along with its Director, Comrade Rennie Davis of Chicago. Tom Hayden and Rennie Davis, frequent fellow-travelers to Communist Hanoi, were key organizers of the Convention Week disorders which swept Chicago during the week following that Resistance conference at Buck Creek lodge.

The rest of that afternoon at Buck Creek was taken up with short speeches by such Marxist revolutionaries as Darryl Skrabak and Malcolm Dundas, ex-convict Resisters recently released from Lompoc Prison in California; Susan Roberts, a full-time Resistance

organizer acting as chauffeur for "Communist priest" Art Melville; and, San Francisco organizer Bruce Nelson, who admitted that The Resistance has access to, and uses, the mailing lists of the Northwest chapters of the Women's International League for Peace and Freedom, the American Friends Service Committee, the Canadian Draft Resistance, and local Spock supporters.

In one of his letters incidentally (yes, I have a copy), Bruce Nelson exposed his own importance in The Movement by confiding that "the possibility has come up that I'll be asked to go to Geneva [Switzerland] to talk to foreign diplomats about The Resistance, and presumably, other forms of radical activity among young people in the U.S.A. . . it's an AFSC program, and apparently they really dug the speech I gave at their Sierra Conference in June."

The featured item on the agenda that rainy afternoon was the "Lawyers Panel," consisting of ACLU attorneys Jeremy Randolph, Mike Rosen, and John Caughlan. Mike Rosen, as you may know, is a sponsor of the Trotskyite Communists' Alexander Defense Committee, which was created to defend Communist terrorists in South Africa. John Caughlan, according to the February 16, 1959 Report of the House Committee on Un-American Activities, is a member of the Communist Party.

The distinguished panel spoke at length about the legal technicalities of avoiding the draft. Comrade Caughlan

even recommended a half-dozen Communist legal fronts.

After the "Lawyers Panel" disbursed, I took notes from more of the materials in the Sullivan envelope turned over to me at the registration desk. According to one of the letters from Comrade Bruce Nelson to John Sullivan: "You should have met Jan Van Pelt and Dale by now. Dale will be tied up with the Boycott, but Jan is a fantastic worker. She played a very large role in getting The Resistance off the ground in Fresno [California]."

Mr. and Mrs. Van Pelt, of course, are organizers for the subversive United Farm Workers Association, headed by Marxist Cesar Chavez. Mr. Chavez and his Comrades are trying to create a nation-wide boycott of California grapes — part of one of the Communist Party's most important projects.

Among the most important letters came upon one written to Bruce Nelson on the letterhead of the Los Angeles law firm of, Margolis and McTernan. The letter, signed by attorney William G. Smith, and dated 12 July 1968, one week before the Reed College Resistance Summer Conference, began: "In answer to your letter . . . I will keep the week end of July 19 through 21 free in the event you decide to call me in place of Aubrey Grossman . . . I assume that you understand that Aubrey Grossman's expertise lies primarily in the field of setting up Selective Service legal Panels to defend individuals under indictment for Selective Service law violations . . . Aubrey has done a

*fantastic job in organizing those panels around the country . . . ."*

And, no wonder. According to that 1959 Report of the House Committee on Un-American Activities, mentioned earlier, Comrade Grossman "... in 1945 was publicly advertised by the Communist Party as its new educational director for the city of San Francisco. In that year, he was also an alternate delegate to the important Communist Party national convention in New York City . . . ."

The HCUA Report goes on to reveal that: "... Aubrey Grossman, who has been an official of the Communist Party itself, served for years as West Coast director and then national organizational secretary or director of the party's legal front, the Civil Rights Congress . . . ." As a clincher, the HCUA Report also reveals that both Ben Margolis and John T. McTernan — the law firm partners from Los Angeles — are also both members of the Communist Party, and members of the Communist National Lawyers Guild.

Just as I completed reading that letter, I happened to look up in time to see two newly-arrived Comrades walking down the hall towards the registration table. I almost swallowed my tongue. One of the two was Carolyn Black, a leader of the Black Caucus of the Communist-controlled National Conference for New Politics, and Publications Director of the Communist W.E.B. DuBois Clubs. Her huge companion was a Seattle member of the Communist Black Panther Party.

Needless to say, without taking a

second look, or casting a backward glance, your fearless reporter ducked out a side entrance, flew through the woods, and may well have been ten miles away in that borrowed, vintage Chevy before his chair hit the floor. Carolyn Black, a top DuBois Club national officer from New York, was the last person I had ever hoped to run into out there in the middle of the Snoqualmie National Forest. You see, dear reader, I had previously worked alongside her in the DuBois Club National Office, while for two years posing as a DuBois Club Comrade for the Intelligence Division of the Chicago Police Department. She knew me. And, had Comrade Carolyn seen me before I could make my escape, things would have gotten awfully warm awfully quick.

While waiting to board a plane for Chicago the following day, to cover the Democrat Convention Week, I was informed through Military Intelligence sources that Carolyn Black was in the area setting up cells of the Communist W.E.B. DuBois Clubs. She was on tour with Charlene Mitchell, a member of the National Committee of the Communist Party, U.S.A. Comrade Charlene, who was walking picket lines in Seattle to support the Communist Boycott of California grapes, had been recently chosen as the Communist Party's candidate for President of the United States.

Such people would hardly have hesitated to order a permanent end to your reporter's good health.

October 1973  
GENERAL INVESTIGATIVE DIVISION

Attached sets forth information from a confidential source that a Dale or David Gomeire (true name David Gumaer), a right-wing anti-Semitic extremist, is alleged to be organizing right-wing airline pilots to fly "hit teams" around the U. S. to assassinate certain individuals. Henry Kissinger, Secretary of State, was only name mentioned. Source obtained information from select group of friends at Dallas, Texas, 10/25/73, while on personal business. U. S. Secret Service (USSS) advised and they informed that Mr. Kissinger is presently at his residence in Washington, D. C. and is under 24-hour USSS protection. Dallas not contacting source's friends as action might expose WFO's source. This could involve possible violations of T18, Sections 241, 245, U. S. Code (Civil Rights Statutes covering conspiracies and interference by threat of force with Federal employment of Secretary Kissinger). Appropriate record and indices checks indicate Gumaer may have been employed in Office of Former Congressman John Schmitz and was member of John Birch Society. Baltimore Office has been advised Gumaer may be located in Salt Lake City and has set out lead to locate and interview. U. S. Department of State and Metropolitan Police Department have been advised.

**ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO  
ASSASSINATE HENRY KISSENGER,  
SECRETARY OF STATE;  
THREAT AGAINST SECRETARY OF STATE**

On October 26, 1973, a first confidential source, who has provided reliable information in the past, advised while in Dallas, Texas, taking care of personal business first source was provided with information by a select group of friends who advised that a Dale or David Gomeire, a right-wing anti-semitic extremist, is alleged to be organizing right-wing airline pilots to fly "Hit Teams" around the United States to assassinate certain individuals. Henry Kissenger, Secretary of State, was the only name mentioned. According to first source Gomeire was currently working for the Liberty Lobby, 300 Independence Avenue, S.E., Washington, D. C. (WDC).

Liberty Lobby was founded in late 1957. The purpose of this organization was to bring the conservative political viewpoint to the attention of national legislators in WDC by visits to offices of Congressmen by Liberty Lobby representatives, and by urging its half million subscribers to pressure legislators on specific issues by a flood of correspondence. Liberty Lobby describes itself as a constitutionalist centrist organization working within the system for constitutional government and against centralized power and alien ideology of both the left and the right.

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

Liberty Lobby critics see it as the purveyor of thinly disguised white racist and anti-semitic sentiment, and a potential power base of "hard right".

On October 27, 1973, a pretext phone call was made to the Liberty Lobby by a representative of the FBI, and they advised the true name of subject is David Gomaer and his last known address was Box 481, Ridgeley, West Virginia. This representative of the FBI was also advised that Gomaer is no longer employed with Liberty Lobby.

Investigation at the Pittsburgh Division of the FBI revealed that a clerk at Ridgeley, West Virginia Post Office stated that between 9 - 12 months ago, [REDACTED] rented Box 481, furnishing address at [REDACTED] Ridgeley, West Virginia, which was to be the location of a business, he described as a "Wilderness Survival and Camping Store". Following individuals received mail at Box 481: David E. Gumaer, [REDACTED] and [REDACTED] Post Office Clerk advised none of the Gumaers or [REDACTED] live in Ridgeley and probably reside in Cumberland, Maryland, at the unlisted phone [REDACTED] b7c

The files of the Pittsburgh Division indicated a David Gumaer [REDACTED] b7D

On December 1, 1972, David Emerson Gumaer was accused of stealing an IBM typewriter from the office of Congressman John G. Schmitz, while an employee of Congressman Schmitz. On March 30, 1973, Assistant United States Attorney James F. Rutherford at WDC, declined prosecution of Gumaer for theft of government property. Gumaer had claimed he borrowed the typewriter from Congressman Schmitz and later returned it.

On September 5, 1973, a second confidential source, who has provided reliable information in the past, advised six months previously, March, 1973, Liberty Lobby sent letters to select individuals over the name of David E. Gumaer, Coordinator, Operation Survival, in which the addressee was invited to become involved in the "Operation Survival Program". Second source stated that in one sense, the letters were couched in veiled underground language; that to his knowledge no definite statement of principles had been enunciated by Liberty Lobby except as by connotation, can be derived from the invitation that "we need patriots such as yourself in the fight to protect and preserve America", and "Liberty must be preserved in this great land of ours". Second source further advised that the exponents

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

of the organization, Liberty Lobby, feel that in a world of shifting political bases, the United States government is in danger of falling into the leadership hands of radical elements currently within the government, and that "a complete dictatorship could be imposed on the American people". Second source added that in his estimation, the existence and purpose of Liberty Lobby is identified with the motivating doctrine of the now defunct minuteman organization, whose national leader was Robert Bolivar Depugh, recently paroled from federal prison. Second source opened that Liberty Lobby does not pose a threat to the internal security of the nation at this juncture, but that in view of the affinity which appears to exist between Liberty Lobby and Robert Bolivar Depugh, there is reason to foretell that an extremist venture could develop out of the organization at some time in the future. D.C.

David Emerson Gumaer contacted the Chicago Office of the FBI in October, 1965, stating he had become interested in the "New Left", and felt it was a great threat to the security of the nation. To this end he infiltrated several radical organizations including the Du Bois clubs of Chicago, Students for a Democratic Society and the Young Socialist Alliance. Gumaer reportedly worked as an "undercover" agent for [redacted] of Church League of America, Wheaton, Illinois, [redacted] Gumaer also gave talks before various civic groups concerning his undercover activities, and was subpoenaed before the United States Senate Internal Security Committee of the Judiciary in December of 1967. b7C b7D

[redacted] prior to the time a publication of the John Birch Society stated that subject [redacted] b7D

The W. E. B. DuBois clubs of America (DCA) was formed in June, 1964, as a Marxist-oriented youth organization which would be used as a recruiting ground for the Communist Party, USA. This organization merged with Communist Party youth and independent Marxist youth in the formation of a new organization in February, 1970, at which time the DCA became defunct.

Students for a democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM) and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

As the youth organization of the Socialist Workers Party (SWP), the Young Socialist Alliance (YSA) serves as the main source of recruitment into the organization. The YSA is described in the masthead of its

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

official publication, "The Young Socialist Organizer" as "a multi-national revolutionary socialist youth organization".

The SWP has been designated pursuant to Executive Order 10450.

b7C [REDACTED] David Gumaer, was contacted on October 28, 1973, by FBI agents at [REDACTED] Cumberland, Maryland, and advised [REDACTED] residing at 1388 South Second East, Salt Lake City, Utah.

[REDACTED] Division of Motor Vehicles, Richmond, Virginia, advised that while Gumaer resided at 5743 Harwich Court, Apartment 122, Alexandria, Virginia, he is also a registered owner of a 1969 Mercury Marquis, four-door Sedan, Virginia License BKV-757, VIN 9B63K517104.

[REDACTED] Hamlet West Apartments, Alexandria, Virginia, advised an anonymous letter to the rental office which gave Gumaer's business address as the Rocky Mountain Mint and Depository, 1381 South Main Street, Salt Lake City, Utah.

Gumaer was interviewed on October 29, 1973, by FBI agents at Salt Lake City. Gumaer advised he is currently employed as a regional manager of Rocky Mountain Mint (RMM), 1381 South Main, Salt Lake City (SLC). RMM is engaged in buying and selling gold and silver coins. Gumaer expects to go to work for Deseret Mint and Depository, North Salt Lake, Utah, in the near future. Gumaer stated prior to coming to SLC in May, 1973, he resided in WDC area where he was employed by Congressman John Schmitz of California in a liaison capacity. Prior to that he lived in Chicago where from 1965 to 1967, he worked with the Intelligence

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

Unit of Chicago Police Department (PD), joining, W. E. B. DuBois club and Students for Democratic Society in order to furnish information concerning those groups to the Chicago PD. Gumaer also claimed he furnished information to FBI agents during that period.

b7C Gumaer admitted working for Liberty Lobby in WDC and Chicago, but left because [REDACTED] was too radical, being anti-semitic and a backer of American Nazi Party. Gumaer claimed he has traveled throughout the United States speaking against Communism, delivering possibly 3,000 such speeches. D.E. JTH

Gumaer said since residing in SLC he has given up political activities because he tried for nine years to warn American public of threat of communism to this country, but has now given up and is merely trying to make a living. Gumaer stated he has been asked to become involved in the American Party and Libertarian Party, but to date has not done so. Gumaer is convinced there will be an armed revolution in the United States and advocates family survival. He believes individuals have the right to defend themselves against revolutionaries.

✓ Gumaer emphatically denied organizing or being involved in organizing right-wing airline pilots to fly "hit teams" around the United States to assassinate anyone, and stated such allegations as "silly". Gumaer stated he dislikes Henry Kissenger because he believes Kissenger is a danger to the United States due to his pro-communist activities and associates, but that to kill one or two persons would accomplish nothing. Gumaer advised the only way to defeat communism is to change the mind of the electorate through propaganda and make changes legally. Gumaer said he cannot recall ever making any statement which could be construed as a threat to assassinate Kissenger or

ALLEGED CONSPIRACY BY DAVID EMERSON GUMAER  
AND OTHER UNKNOWN SUBJECTS TO ASSASSINATE  
HENRY KISSENGER, SECRETARY OF STATE

anyone else. Gumaer believes if internal revolution comes citizens have the right to kill revolutionaries in self-defense. Gumaer knows of no one who would start rumors about him; however, he admitted he has made enemies in the political movement who could be trying to retaliate and harm his reputation. Gumaer related an incident several years ago while working for the John Birch Society, rumor got back to Robert Welch, head of the Society, that Gumaer had made statements to the effect Welch was a "Red Agent". Gumaer said this was completely false and an example of how rumors start.

First confidential source contacted on November 2, 1973, to ascertain full background of the original allegations and to identify first source's "select group of friends" who furnished information, and also to further develop identities of all persons allegedly considered for assassination. First source advised as far as the original allegations are concerned, first source had previously set forth the full details to the best of first source's re-collections. First source stated that the only clarification was concerning the original allegation that Gumaer was soliciting the aid of individuals possessing licenses to fly small airplanes, and not necessarily airline pilots who must hold a license with an air transport rating.

First source advised the allegations in this matter were heard primarily from one [redacted] who resides at [redacted] Texas.

Gumaer was aware [redacted] and at the meeting gave [redacted] a list of contacts which he felt would be helpful to [redacted]. At this time, Gumaer mentioned a plan which he had formulated and would put into effect in the event of a take-over of the country by the radicals, which would basically consist of the organization of a number of aircraft pilots, for the purpose of flying an individual from one part of the country to another for the purpose of eliminating, whether by assassination or kidnapping, any person considered dangerous to the nation. Gumaer said the name of Henry Kissinger was used as an example, and [redacted] does not recall Gumaer mentioning any other name.

[redacted] said he considers Gumaer to be a "nut" and a crook. He alleged Gumaer had, prior to [redacted] misused a passport which had been secured through his employment by the Congressman, for the purpose of smuggling gold in the United States, and this offense allegedly led to Gumaer being fired. [redacted] said Gumaer also stole an electric typewriter from the Congressman's office, during about December, 1971. He said he believes the typewriter was recovered from Gumaer's home during December, 1972. He last saw Gumaer in the Longworth Building on December 1, 1972, in connection with the typewriter incident.

[redacted] advised he has no knowledge of Gumaer's current whereabouts or activities. [redacted] has heard nothing with regard to Gumaer's stated plan for the organization of aircraft pilots for the purpose stated

MILWAUKEE NSWPP UNIT WILL MEET AT A LOCAL NSWPP MEMBER'S HOME ON THE SOUTH SIDE OF MILWAUKEE AND FROM HERE PROCEED TO THE MARC PLAZA HOTEL FOR A DEMONSTRATION AGAINST HENRY KISSINGER.

SOURCES ALSO ADVISED THAT IT IS STRONGLY EXPECTED THAT MEMBERS OF THE CHICAGO UNIT OF THE NSWPP WILL ARRIVE IN THE MILWAUKEE AREA NEAR 6 P.M. ON JULY 14, 1975, TO ASSIST THE MILWAUKEE NSWPP UNIT IN THE DEMONSTRATION AGAINST HENRY KISSINGER. THE EXACT NUMBER OF THOSE ATTENDING FROM CHICAGO IS NOT KNOWN.

ACCORDING TO SOURCES AT MILWAUKEE, NO ACTS OF VIOLENCE ARE ANTICIPATED BY MEMBERS OF MILWAUKEE NSWPP.

IT SHOULD ALSO BE NOTED THAT STICK-ON FLYERS ANNOUNCING THE ARRIVAL OF SECRETARY OF STATE HENRY KISSINGER HAVE BEEN PLACED AT SEVERAL LOCATIONS IN THE DOWNTOWN AREA OF MILWAUKEE BY MEMBERS OF THE YOUTH AGAINST WAR AND FASCISM (YAWF).

YAWF IS THE YOUTH GROUP OF THE WORKERS WORLD PARTY (WWP). IT WAS FORMED IN THE SUMMER OF 1962 AND IS CURRENTLY HEADQUARTERED IN NEW YORK CITY. IT PROPAGANDIZES THE BELIEFS OF THE WWP AMONG THE YOUTH AND IS THE MAIN SOURCE OF RECRUITMENT INTO THE WWP. THE WWP IS A TROTSKYIST-COMMUNIST ORGANIZATION WHOSE OBJECTIVE IS THE
